

THIS IS WORK  
BY THE WAY,  
SO I APPLIED  
TO TRANSFER  
THE DAY OFF  
TO A LATER  
DATE.

DESPITE  
IT BEING A  
DAY OFF,  
I DECIDED TO  
INVESTIGATE  
IN ORDER TO  
UNCOVER THE  
IDENTITY OF  
THE CREATURE.

There's  
quite a lot  
of burials  
under that  
black and  
white  
fence...

What  
is this  
place...

*I can't  
let my  
guard  
down!*

Don't  
stare,  
okay?

None...

What on  
earth are the  
servings  
surrounding  
themselves with  
large sumo  
swords instead?  
Is this perhaps  
a laboratory  
facility?

A lion...  
and a  
tiger... you  
say...?

**UENONO**

Watch your  
back. I'm  
coming for  
you.

Well,  
whatever.  
Today's  
objective is  
that black  
and white  
furball  
boyfriend.

IN A  
COUPLE OF DAYS,  
HE WROTE IN HIS  
REPORT...

**"I WANT  
TO GO  
AGAIN."**
